FEATURED BENEFITS

- ✓ Southern Hills was designed specifically to replicate the lush beauty of natural grass specifically for landscape applications
- ✓ The Tidal Wave yarn system has a combination of field and clover green blades combined with a curly beige and green thatch layer.
- ✓ The 1 5/8" pile height highlights all the beauty of a lush thick lawn that will be the envy of the neighborhood
- ✓ The Tidal Wave shaped blades have our Luster Guard™ technology that diffuses the sun's rays. The results are extremely low luster and shine along with a very natural appearance.
