SPORT GREEN

FEATURED BENEFITS

- Tour Putt is designed for a higher level of play. Texturized yarns enhance performance.
- The surface plays to its optimum for longer, plus has a greater life expectancy overall.
- This green is customized - varying the amount of infill placed, the speed & spin can be adjusted to the client's play specifications.
- Can be installed indoors and outdoors (i.e. patios, showrooms, rooftops, backyards.)
- Drains from the top.
